

# NEW ERA – SAME PASSION

A new era of Saint Joseph's basketball begins in 2009–10 with upgraded facilities that the Hawks now call home. Seniors C.J. Brown (left), Garrett Williamson (center), and Darrin Govens (right) will lead Saint Joseph's Basketball into its second century. The Dr. Jack Ramsay '49 Basketball Center bridges the gap between the storied history of the Saint Joseph's program and the finest amenities of the modern era. Among the features of the Ramsay Basketball Center (top right) are: the Thomas J. Wynne '63 Hall of Fame Room (second and third photos); the Jameer Nelson Locker Room (fourth photo) and the Video Study/Interview Room (bottom).
