ROBERT M. GILLIN, JR. BOATHOUSE

The Robert M. Gillin, Jr. Boathouse was dedicated in June 2002 as the home of the Saint Joseph's University men's and women's rowing teams.

The 15,540 square foot state-of-the-art boathouse includes four heated boat bays with capacity for 42 eights, 14 fours/quads, and 14 small boats.

The boathouse serves as SJU's home base for all of its home regattas, including the Dad Vail Regatta, Murphy Cup, and various dual races. The 750-square foot deck is a perfect viewing area for families, fans, and alumni.

The second floor of the boathouse includes locker rooms, showers, etc as well as a large common area for ergs, team meetings, and video review.

The Gillin Boat Club joined the Schuylkill Navy on September 20, 2004, by unanimous vote of the delegates of the Schuylkill Navy's 10 member clubs.

HAWK ROWING HISTORY

The Saint Joseph's women's rowing program celebrated its 40th anniversary in 2015. Organized in the spring of 1975, the Hawks were the only women's crew team in the city other than Penn at that time. Saint Joseph's rowed out of the Vesper Boat Club and competed in its first Dad Vail Regatta in 1975. The program has grown tremendously over the 40 years and owns a proud tradition. In addition to having its own boathouse- the Gillin Boathouse - Saint Joseph's competes nationally and has participated in the Royal Henley Regatta in England three times.

A PROUD TRADITION

The Saint Joseph's rowing programs have a proud history of success on the water, but a number of alums have achieved a great amount of post-graduate success in the sport as well. **Mike Teti '78, Teresa Zarzeczny Bell '88 and Renee Hykel '01** are three SJU legends that have gone on to even greater successes since their days on Hawk Hill. All three have taken their rowing careers to the highest levels of international competition, making the SJU rowing program a cradle of champions.

Arguably the best-known oarsman in America, Mike Teti was a top Hawk rower, graduating from SJU with a sociology degree in 1978.

"Saint Joseph's gave me the opportunity to compete and also the opportunity for a great education," Teti says. "I owe SJU a great debt for all of the opportunities I received."

From 1977-93, Teti rowed on 11 national teams, including three trips to the Olympic Games. He won 24 national championships, a gold medal in the men's eight at the 1987 World Championships and a bronze medal in the same event at the 1988 Olympics. He was named the 1987 United States Rowing Male Athlete of the Year.

Teti achieved even greater notoriety as a coach, guiding the U.S. men's open eight squad to an unprecedented three straight world championships. He also coached the men's four with coxswain to world championship gold. In 1996 he led the lightweight men's four to an Olympic bronze medal before being named USRowing's Head Men's Sweep Coach, the highest coaching honor in the country, in October of that year.

Teti became the U.S. Olympic coach following the 2000 Games, and led the men's eight boat to gold in Athens in 2004, a feat that the United States had not achieved since 1964 when another coach with Hawk ties, Al Rosenberg, led the Americans to victory. He also guided the U.S. Men to the bronze medal at the 2008 Olympics in Beijing.

Teti is currently the head coach of the men's crew team at the University of California and was inducted into the National Rowing Federation's Hall of Fame in 2010. Following the 2018 season, he will leave his post at Cal to return as the men's head coach for USRowing.

Teresa Bell is no stranger to success on the international level, either. Her Olympic dream began in the fall of 1992 when the International Olympic Committee announced that her event, the lightweight double sculls, would be a part of the Olympic Games in 1996.

In truth, Bell's journey really began back in 1985. In that year the sophomore joined the Saint Joseph's women's rowing club team. By 1988, she was a part-time member of the varsity squad, and her Hawk Hill career culminated in victory in the women's singles event at the prestigious Dad Vail Regatta. Bell later went on to be a member of both the Crescent Boat Club and the Fairmount Rowing Club, for whom she still rows when she is in Philadelphia.

In 1996, Bell was preparing for Olympic competition with intense work-

outs three times a day. She put in most of her work in Tennessee, the home of the United States Women's Rowing Center. She also spent time training in Georgia in preparation for the Olympic Trials. Before the Olympic Games, she spent a month rowing in Europe before returning home for the Atlanta games.

This exhausting routine helped prepare Bell for the rigors of the highest level of international competition, but all of the work paid off in the end as Bell and her partner, Lindsay Burns, took the silver medal in the lightweight double sculls.

From Hawk Hill to the Olympic medal stand, Bell never forgot her roots. "I enjoyed my experience at Saint Joseph's," Bell says. "It made me who I am today. Besides rowing, Saint Joseph's taught me to be open-minded and that has really helped me."

Following the Olympics, Bell placed fifth in the same event at the 1997 World Championships. She was inducted, along with Teti, as a member of the inaugural class on the Saint Joseph's Athletics Hall of Fame in 1999. More recently, Bell was inducted into the National Rowing Foundation Hall of Fame in 2016.

SJU's influence is still being felt in the rowing community as Class of one of the top names in the sport. She is a five-time member of the U.S. National Team and competed at the World Championships every year from 2003 to 2006. In 2005, the former Saint Joseph's walk-on took silver in the lightweight double sculls at the World Championships in Gifu, Japan. In 2007, Hykel was the U.S. National Champion in the lightweight single sculls.

The year 2008 marked Hykel's first trip to the Olympic Games as she traveled to Beijing to compete in the lightweight double sculls event, the same event Teresa Bell took silver in at the 1996 Games. Hykel and her partner, former SJU assistant rowing coach Jen Goldsack, just missed the medal final after reaching the A/B semifinal.

Teti, Bell and Hykel are just three of more than a dozen Hawks to compete internationally, as athletes such as Sean Drea and the Flanigan brothers, Donald and Richard, have done Saint Joseph's proud at the highest levels of the sport.

In addition to these individuals, the Saint Joseph's rowing program continues to write new chapters in its ever-expanding legacy. Since 1999, the Hawk men's and women's teams have combined to finish first or second in the race for the coveted Jack Bratton Trophy, awarded to the Dad Vail Regatta's overall points champion, four times, most recently in 2010.

The women's program, meanwhile, has developed into one of the region's most formidable.

The 2006 season was a banner one for the Hawk program as a whole, as SJU turned in its then-best-ever finishes at the San Diego Crew Classic and Atlantic 10 Championships, and winning gold in the Varsity 8 at the Dad Vail Regatta. The 2006 team also competed in the prestigious Henley Royal Regatta in the United Kingdom, a first for Saint Joseph's.

In 2009, the Hawks' Varsity 8 set a record in becoming the only team to advance to the Grand Final of the Dad Vail Regatta for five consecutive years and increased that mark to six straight in 2010. SJU's Freshman 8 also advanced to the Grand Final for eight years in a row. The 2010 season culminated with Saint Joseph's competing at Henley for the second time in school history, while in 2011, the Hawks won their first Atlantic 10 Conference team championship.

Teresa Bell was a silver medalist in the 1996 Olympic Games.

The Hawks have made three trips to the Henley Royal Regatta, in 2006, 2010 and 2017 (pictured).

SAINT JOSEPH'S UNIVERSITY ATHLETICS MISSION STATEMENT

The Mission of the Athletics Department at Saint Joseph's University reflects the Mission of the University by using the programs within Athletics as a way to develop the whole person and preparing men and women for others.

- To educate the whole person by complementing the academic experience with athletic and recreational programs and activities outside the classroom.
- To create an environment for personal growth through openness, respect, and a concern for others.
- To communicate the value of community and family through team work and sportsmanship.
- To provide opportunities for students to learn self-discipline, responsibility, decision-making, and attainment of goals.
- To provide opportunities for students to participate and compete in a first-class manner.
- To provide equitable opportunities for all students and staff, including women and minorities.
- To advance the University regionally and nationally through intercollegiate athletics.

THE HAWK

One of the most famous mascots in college sports, the Saint Joseph's Hawk has been flapping its wings for 62 years. The Hawk is best known for staying in constant motion by flapping its wings throughout every basketball game and representing the Saint Joseph's motto, "The Hawk Will Never Die."

Saint Joseph's athletic teams have been recognized with the nickname "Hawks" since 1929. At that time, the school's yearbook editor initiated a contest among the student body for a symbol. More than 100 submissions were narrowed, with "Hawks" winning out over "Grenadiers" by a slim margin. The name was appropriate because it typified "the fighting spirit of our crimson and gray athletes and it is suggestive of the aerial attack which has made our football team famous." Football, ironically, was discontinued at SJU following the 1939 season.

The Hawk mascot, which made its debut at on January 4, 1956, has garnered numerous accolades in its history. It has been selected as the nation's top mascot by *The Sporting News*, *Sports Illustrated*, *Sports Illustrated for Kids*, *Street & Smith's Basketball Yearbook*, *ESPN College Basketball* magazine and was nominated for the Mascot Hall of Fame in 2008.
