SEASON PREVIEW

For the Saint Joseph's golf team, the 2008-09 season is one filled with high expectations. Returning four of its top five scorers, including Atlantic 10 All-Conference honoree sophomore **Josh Webb**, Hawk head coach **Bob Lynch** will combine his experienced group of seven veterans with three highly touted freshmen to post some of the best five-man squads in recent SJU history.

"We have a very cohesive group that will play to our strengths this season," Lynch said. "However, we understand that this a younger team that hasn't had as much experience as some of the other teams we will face. Still, I believe we can finish in the top 10 of every tournament."

Leading the way for the Hawks this year are senior **Steve Hudacek** and junior **Zach Smith**. The duo, serving as team co-captains for 2008-09, competed in all but two matches last season for the Hawks.

A co-captain a season ago, Hudacek has steadily improved over his three years at Saint Joseph's. Competing in a career-high 23 rounds last season, he ranked fifth in scoring average (78.2 strokes-per-round) and tied for 49th at the Atlantic 10 Championship.

Playing all 28 rounds in 2007-08, Smith carded a career-best 76.6 strokes-per-round average as a sophomore. Leading the team in scoring at five tournaments, he posted a season-best tie for 12th at the Mission Inn Collegiate Classic and tied for 32nd at the Atlantic 10 Championship.

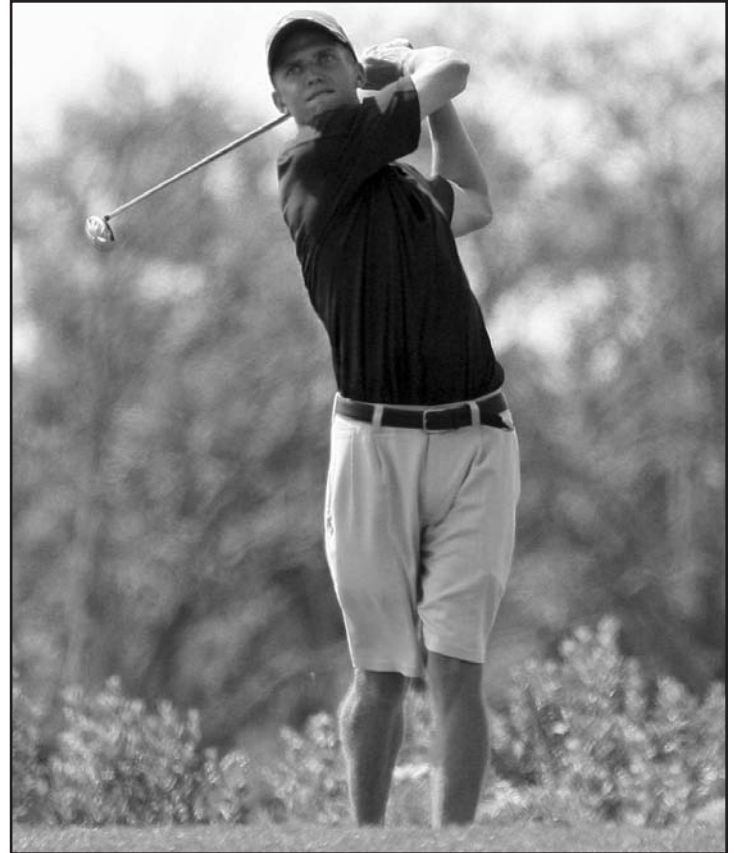

"Steve and Zach are quiet leaders, but at the same time our younger guys look to them for guidance," said Lynch. "On the course, they need to continue the good play they showed over the summer."

Making an immediate impact as a rookie, Webb came on strong in the spring after playing in just two tournaments in the fall. Tied for third in average at 77.1 strokes-per-round, Webb saved his best rounds for the Atlantic 10 Championship, carding a three-round score of 70-76-69/215 to finish tied for 10th and earn All-Conference accolades.

"Josh is one of our steadiest golfers," Lynch said. "If he continues his consistent play, there is no reason he can't repeat at A-10s this year."

Sophomore Josh Webb earned Atlantic 10 All-Conference honors after finishing tied for 10th at last year's conference tournament.

Junior Zach Smith is the Hawks' returning leader in scoring after posting a career-best 76.6 strokes-per-round average last year.

With two slots open on the five-man squad, the Hawks will have good competition from junior **Bill Macknis** and sophomores **Patrick Devlin**, **Eric Mitchell**, and **Jim Ridgway** for those starting positions.

Playing in 11 rounds last spring, Macknis was solid for Saint Joseph's and finished tied for third on the team in scoring. With a year of experience under their belts, all three sophomores have the ability to contribute, but need to stay consistent.

"Bill finished very strong last year. We just need him to stay healthy," said Lynch. "Now with a year of collegiate experience, the sophomores need to be able to play solid for the full 36 or 54 holes."

Adding depth to the Hawks are freshmen **Jimmy Bea**, **Andrew Jaskel** and **Kyle Sargis**. A two-time Suburban One League Player of the Year, Bea averaged 36.2 strokes-per-round as a senior at Council Rock South, while both Jaskel and Sargis bring amateur playing experience, having competed in the 2008 U.S. Amateur Public Links Championship and the 79th New England Amateur Championship, respectively.

"The freshmen will all get their feet wet and I'm very excited about their potential," said Lynch.

Coming off an eighth-place finish at last year's conference tournament, Lynch believes a strong performance from the Hawks could lift them as high as third or fourth. It will be a challenge for the young SJU team, especially with returning A-10 champions Charlotte earning preseason top-25 status, but Lynch knows his team can compete with the top teams in the conference.

"If we stay consistent and put together three good rounds, then there is no reason Saint Joseph's can't be on the leaderboard."

LLANERCH COUNTRY CLUB

Scenic Llanerch Country Club in Havertown, Pa., has served as the home for the Saint Joseph's University golf team since 1959. Founded in 1919, Llanerch ranks as one of the finest courses in the Delaware Valley. Taking on many shapes over the years, the current 18-hole configuration opened on April 27, 1949 and measures 6,482 yards with a par of 72.

Possessing a rich history, many of the nation's best professionals have played on the Llanerch links over the past 80 years. Arguably the biggest tournament to be played on the site was the 1958 PGA Championship. Golf legend Dow Finsterwald captured the title that year with a score of 276 for 72 holes. That tournament became particularly prominent because stroke play format was used for the first time in PGA Championship history.

Other notable events hosted by the course include the *Philadelphia Inquirer* Invitational in 1945. Byron Nelson captured the title that year, posting the seventh of 11 consecutive tournament championships. It was also the site of the 1949 USGA Women's Amateur Championship, won by Dorothy Germain Porter.

Llanerch has also served as the host of the Philadelphia Amateur Championship three times (1931, 1934 and 1998), as well as the Philadelphia Section PGA Championship five times (1940, 1941, 1942, 1943 and 1965).

THE HAWK

The Saint Joseph's Hawk mascot has been flapping its wings for more than a half a century.

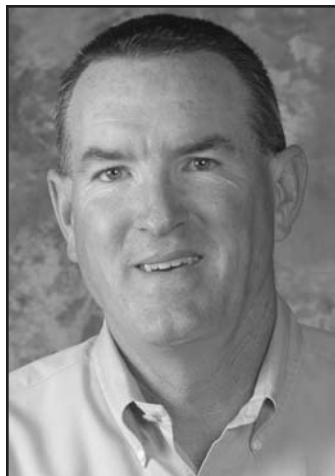

One of the most famous mascots in college sports, the Hawk is best known for staying in constant motion by flapping its wings throughout every basketball game and representing the Saint Joseph's motto, "The Hawk Will Never Die!"

Saint Joseph's athletic teams have been recognized with the nickname "Hawks" since 1929. At that time, the school's yearbook editor initiated a contest among the student body for a symbol. More than 100 submissions were narrowed, with "Hawks" winning out over "Grenadiers" by a slim margin. The name was appropriate because it typified "the fighting spirit of our crimson and gray athletes and it is suggestive of the aerial attack which has made our football team famous." Football, ironically, was discontinued at SJU following the 1939 season.

The Hawk mascot has garnered numerous accolades in its 50-year history. It has been selected as the nation's top mascot by *The Sporting News*, *Sports Illustrated*, *Sports Illustrated for Kids*, *Street & Smith's Basketball Yearbook* and *ESPN College Basketball* magazine and was a nominee for the 2008 Mascot Hall of Fame.

HEAD COACH

Bob Lynch
Head Coach
La Salle '79 - 21st Season

The 2003 Atlantic 10 Coach of the Year, **Bob Lynch** is in his 21st year at the helm of the Saint Joseph's University golf program. During his tenure, he has led the Hawks back to prominence as one of the top golf programs in the Northeast and coached 17 Hawks to A-10 All-Conference honors.

The architect of one of the region's most demanding schedules, Lynch took the Saint Joseph's program to the cusp of its first-ever NCAA Championship berth in 2003 as the Hawks placed second at the Atlantic 10 Championship. The Crimson and Gray's previous best effort at A-10s was third place, a feat the squad accomplished three straight seasons from 1993-95. He also guided the team to a berth in the Eastern Intercollegiate Golf Association Championships each of those seasons.

In his career as head coach, Lynch has compiled an overall record of 20 wins and 22 losses. The last dual meet competition for SJU was a 426-465 win over Lafayette at Llanerch Country Club during the 1992-93 season. Since that time, SJU has competed solely in invitational events that have taken the Hawks all over the country.

A former standout at Father Judge High School, Lynch is an avid golfer. The 51-year old works for Spikes, a company that specializes in trophies and plaques. The Richboro, Pa., resident also works as an official at high school and college basketball games and works on the scorer's table for both Saint Joseph's men's and women's basketball games. A 1979 graduate of La Salle University, Lynch and his wife Monica are the parents of five children: Maureen, Bob, Dan, Brian, and Jim.

2007-08 YEAR IN REVIEW

The 2007-08 season saw the Saint Joseph's golf team steadily improve as the year went on, culminating in an eighth-place finish at the Atlantic 10 Championship, with freshman Josh Webb earning All-Conference honors.

The Hawks started out the season at the Navy Invitational, attempting to see who would be the leaders for SJU last season. Sophomore Zach Smith led the charge in the opening tournament, tying for 46th as Saint Joseph's placed 15th.

Senior Colin Corrigan posted his first of two top-20 finishes at the Cleveland State Invitational, while Smith tied for 12th at the Mission Inn Classic two weeks later.

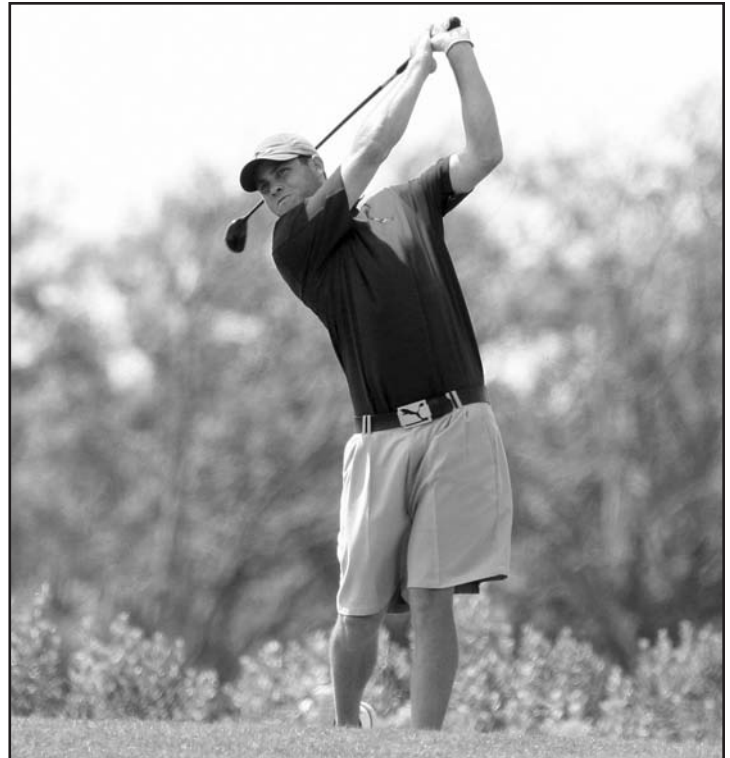

Competing locally at the Penn/Big 5 Classic, it was junior Steve Hudacek who led the way for Saint Joseph's, finishing tied for 30th, with the Hawks placing 12th overall.

Smith led the charge for Saint Joseph's in the final two matches of the season, helping the Hawks to an eighth-place tie at the Georgetown Hoya Invitational and a tie for 19th at the Old Dominion/Seascape Invitational. Smith carded a season-best 69 in the final round of the Hoya Invitational, finishing tied for 24th, while Corrigan and Webb finished tied with Smith at 59th in the season-ending match at Old Dominion.

All 10 Hawks opened the spring schedule competing at the Ft. Lauderdale Classic, with Corrigan topping them all with a 16th-place finish. Smith finished two strokes behind to post his second top-20 finish of the year as SJU placed fourth as a team.

After placing 11th at the First Bank Invitational, Saint Joseph's struggled over its next three outings, placing 17th at the Lacrosse Homes Invitational, 15th at the Princeton Invitational and tied for 20th at the UVA Cavalier Classic. Despite the slow stretch, freshman Jim Ridgway made national headlines for the Hawks, carding not one, but two holes-in-one during Saturday's first two rounds of the Princeton Invite.

The Hawks turned in arguably their best performance of the year at the 2008 Atlantic 10 Championships. As a team, Saint Joseph's placed eighth in the 12-team field, shooting a season-best 287 in the final round. Making his first conference meet appearance, Webb flourished, finishing tied for 10th and earning All-Conference honors. Playing in his final collegiate match, Corrigan posted his best finish at A-10s, tying for 27th.

Colin Corrigan posted a team-best 75.8 strokes-per-round average last year and tied for 27th at 2008 Atlantic 10 Championships.

HISTORY

John Truax

Golf has a long and storied tradition of success at Saint Joseph's University. One of the oldest athletic programs on campus, golf debuted as a varsity sport in 1931.

The greatest player in the history of the Hawk golf program is John Truax ('78). The only SJU golfer to ever earn All-America honors, he garnered Honorable Mention status in 1978. Individually, he earned a berth in the NCAA Championship Tournament as a sophomore, junior and senior. In 1977, Truax won the Fall ECAC Championship.

As a team, the Hawks' greatest success came in the early 1960s and late 1970s. SJU won the Middle Atlantic Conference Championships in both 1963 and 1964, while Truax led SJU powerhouses from 1975-78.

In 1982 Saint Joseph's became a member of the Atlantic 10 Conference. SJU turned in its highest league finish in 2003, placing second overall. SJU previously placed third in 1993, 1994 and 1995.

The 1962-63 SJU golf team went 11-1 during the regular season, won the Middle Atlantic Conference Title and qualified for the NCAA Tournament. However, the team decided not to go so that they could make extra money working their summer jobs.

Left: Paul McDermitt ('50) served as captain of the SJU Golf team; he also earned varsity letters in baseball, basketball, and track and field. He graduated with more letters than anyone in Saint Joseph's history, and was enshrined in the SJU Athletics Hall of Fame in 2006.

Center Left: Mike ('97) and Kevin ('99) McDermott earned Atlantic 10 All-Conference honors a combined five times during their years on Hawk Hill. Younger brother Brian ('04) also played golf for the Hawks.

Right: Jason Buccino ('95) was named Atlantic 10 All-Conference in 1993 and 1995. Buccino, the McDermott brothers, Mark Parisi ('96) and Billy Stewart ('06) are the only Hawks to receive this honor multiple times.

ATLANTIC 10 CONFERENCE

BERNADETTE V. MCGLADE
COMMISSIONER

Atlantic 10 Conference

230 South Broad Street
Suite 1700
Philadelphia, PA 19102
(215) 545-6678
Fax: (215) 545-3342
Web Site: www.atlantic10.org

On March 2, 1975, the idea of what is now the Atlantic 10 Conference was conceived. What started as an eight-school, men's basketball-only affiliation has grown into a 14-university, 21-sport league that is universally hailed as one of the best conferences in the country.

That growth and prominence is a direct result of the ideals and commitments of the member institutions of the Atlantic 10 - the University of Dayton, Duquesne University, Fordham University, The George Washington University, La Salle University, University of Massachusetts, University of North Carolina at Charlotte, University of Rhode Island, University of Richmond, St. Bonaventure University, Saint Joseph's University, Saint Louis University, Temple University, and Xavier University.

On June 2, 2008, Bernadette V. McGlade was named the fifth full-time commissioner in Conference history, replacing Linda Bruno, who held the position for 13 years. McGlade's experience in collegiate athletics as a student-athlete, coach and administrator spans more than thirty years.

"Bernadette's deep experience with arguably the class-act athletic conference [Atlantic Coast Conference] in the country makes us incredibly excited to be bringing her on board as commissioner of the Atlantic 10 Conference," said Father Michael Graham, Xavier University president and president of the Atlantic 10 Presidents' Council.

The presidents and chancellors of Atlantic 10 institutions have made a strong commitment to making the academic and athletics equation work. Over the years, the

league membership has strived to better recognize the academic accomplishments of its student-athletes. The Commissioner's Honor Roll, which cites every Atlantic 10 student-athlete with a 3.5 grade point average or better, recognized 1,247 student-athletes in the Fall 2007 while 1,106 were named to the Spring 2008 Honor Roll.

The league sponsors Academic All-Conference teams in each of its sports and honors one student-athlete per sport as the A-10 Student-Athlete of the Year. In 2007-08, 192 student-athletes earned Academic All-Conference recognition. Moreover, the Atlantic 10 provides four postgraduate scholarship grants to qualified student-athletes.

The Atlantic 10 Conference had 34 teams among the 712 Division I sports teams honored by the NCAA with public recognition awards for their latest multi-year Academic Progress Rate scores. These teams posted multi-year APR scores in the top 10 percent of all squads in their respective sports. Saint Louis and Xavier led the Atlantic 10 in the number of high-performing squads receiving awards with six teams each. In twenty of the twenty-one sports sponsored by the Atlantic 10, the league's Academic Progress Rates (APR) were at or above the conference average nationally according to the most recent data released by the NCAA.

Men's swimming & diving standout Brad Byars of Saint Louis was among 58 NCAA winter-sport student-athletes to earn an educational grant for the upcoming academic year through the NCAA postgraduate scholarship program. Byars will continue his education at Saint Louis University where he will pursue a Juris Doctorate and Masters of Health Care Administration.

The Atlantic 10 Conference, with a total population of nearly 74 million people within its geographic footprint of eight states and the District of Columbia, will crown champions in 21 sports this season: baseball, men's and women's basketball, men's and women's cross country, field hockey, men's golf, women's lacrosse, men's and women's indoor and outdoor track & field, women's rowing, men's and women's soccer, softball, men's and women's swimming & diving, men's and women's tennis, and women's volleyball.

SAINT JOSEPH'S UNIVERSITY ATHLETICS MISSION STATEMENT

The Mission of the Athletics Department at Saint Joseph's University reflects the Mission of the University by using the programs within Athletics as a way to develop the whole person and preparing men and women for others.

- To educate the whole person by complementing the academic experience with athletic and recreational programs and activities outside the classroom.
- To create an environment for personal growth through openness, respect, and a concern for others.
- To communicate the value of community and family through team work and sportsmanship.
- To provide opportunities for students to learn self-discipline, responsibility, decision-making, and attainment of goals.
- To provide opportunities for students to participate and compete in a first-class manner.
- To provide equitable opportunities for all students and staff, including women and minorities.
- To advance the University regionally and nationally through intercollegiate athletics.

THE UNIVERSITY

Founded in 1851, Saint Joseph's is an independent, Catholic, Jesuit university teaching disciplined reasoning, effective communication and a love of learning. From Willings Alley in Old City Philadelphia to Stiles Street in North Philadelphia to its current location on City Avenue, Saint Joseph's has continued to grow and change with the times. The University combines the Jesuit tradition of academic excellence, a history of service and an ideal campus location to produce successful students who strive to make a good world even better.

Full-time, undergraduate day enrollment comprises approximately 4,150 students. Graduate, evening and executive programs push total enrollment to more than 7,400 students.

THE JESUIT TRADITION OF ACADEMIC EXCELLENCE

Saint Joseph's nationally recognized academic reputation is confirmed by ongoing acknowledgment in Barron's, U.S. News & World Report and Peterson's. The Jesuit tradition of intellectual inquiry and personal concern manifests itself in small, challenging classes taught by a caring faculty. Graduate assistants do not teach, so undergraduates can be sure they are receiving the very best educational experience from trained experts. One-on-one interaction between students and faculty is a reality at Saint Joseph's.

A solid liberal arts curriculum provides across-the-board learning for every student. Supporting that curriculum are comprehensive academic majors and learning facilities. The result is a broad education that prepares students not only for employment and graduate school, but for life itself.

In the fall of 1998, SJU opened the \$25 million Owen A. Mandeville Hall, which houses the Erivan K. Haub School of Business, the Center for Food Marketing and the region's first "Teletorium" and "Moot Boardrooms." An 87,000-square-foot international academic center featuring state-of-the-art distance learning technology, it is located near the corner of 54th Street and City Avenue.

A HISTORY OF SERVICE

The students of Saint Joseph's University are dedicated to making today's world even better. A natural spirit of volunteerism has enabled the University's community service programs to become the most popular extracurricular activities on campus. In addition, a Service Learning program allows students to receive academic credit for their work outside the classroom.

SJU offers local, national and international opportunities for student service. From North

PHILADELPHIA

Philadelphia to Camden, N.J.; from Tijuana, Mexico, to the Appalachian Mountains, Saint Joseph's students embrace the Jesuit mission of serving those in need. The Thanksgiving Dinner Dance for area senior citizens and the Hand-in-Hand Festival for the handicapped are two annual student-run events that draw thousands of special visitors to campus for fun and friendship.

IDEAL CAMPUS LOCATION

SJU's City Avenue location combines the best of dynamic Philadelphia with the suburban, residential setting of the elegant Main Line. Saint Joseph's 65 acres span two counties, allowing students to literally enjoy the best of both worlds. The city of Philadelphia, with its tremendous wealth of historical, cultural, social and athletic attractions, is easily accessible, while the safety, serenity and greenery of a suburban campus are right at hand.

The friendly atmosphere and close-knit campus ensure that students don't get lost in either the literal or the figurative sense at Saint Joseph's. Expanded library, computer and athletic facilities add a big-time "feel" to this growing university.

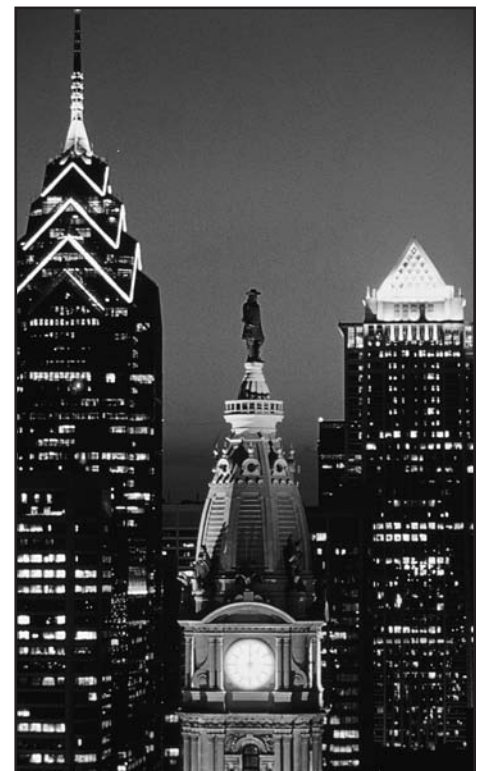

SUCCESSFUL STUDENTS

Men and women leave Saint Joseph's prepared. The University boasts an excellent record of placing its graduates in first-time jobs, professional schools and other advanced degree programs. Part-time work and internships provide real-world experiences, the kind which delight future employers. And with its many diverse student organizations, SJU offers ample opportunities to assume leadership positions.

An extensive on-campus recruitment program provides graduates with a head start in their employment search. Regular meetings with faculty advisors, along with advisory programs in the health professions and in pre-law, assist students who wish to further their schooling.

SJU's Philadelphia location gives students access to two worlds. The campus resembles a park, surrounded by the stately homes of Philadelphia's historic Main Line suburbs. Yet students have access to the cultural, commercial and recreational activities of downtown Philadelphia — only a short ride away.

SJU students take frequent advantage of the artistic and cultural resources Philadelphia offers, as well. They visit the Philadelphia Museum of Art; the Pennsylvania Academy of the Fine Arts; the Franklin Institute Science Museum; the Academy of Music, which houses ballet and opera; and the new Kimmel Center, home to the Philadelphia Orchestra. In addition, SJU students enjoy rooting for Philadelphia's teams in the four major professional sports leagues.

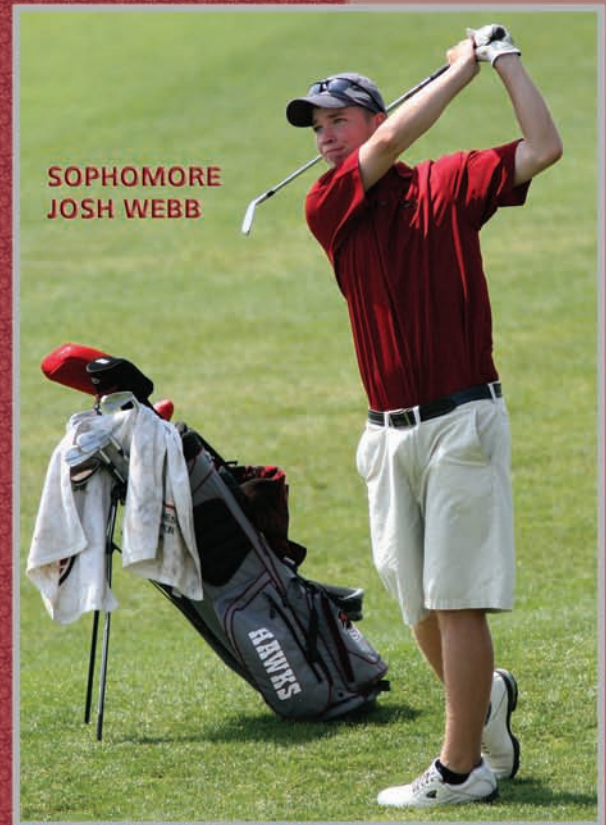

SAINT JOSEPH'S UNIVERSITY

THE NEST EXPANDS

The 38-acre Maguire Campus, longtime home of the Episcopal Academy, adds 52 classrooms, eight full laboratories, 113 offices, and 14.5 acres of sports fields to the University's current 65-acre footprint. In the years to come, the positive impact on academic offerings, student life, athletics, the arts, and community outreach will be immeasurable.
