SAINT JOSEPH'S UNIVERSITY ATHLETICS MISSION STATEMENT

The Mission of the Athletic Department at Saint Joseph's University reflects the Mission of the University by using the programs within Athletics as a way to develop the whole person and preparing men and women for others.

- To educate the whole person by complementing the academic experience with athletic and recreational programs and activities outside the classroom.
- To create an environment for personal growth through openness, respect, and a concern for others.
- To communicate the value of community and family through teamwork and sportsmanship.
- To provide opportunities for students to learn self-discipline, responsibility, decision-making, and attainment of goals.
- To provide opportunities for students to participate and compete in a first-class manner.
- To provide equitable opportunities for all students and staff, including women and minorities.
- To advance the University regionally and nationally through intercollegiate athletics.

The 2006 Saint Joseph's University Field Hockey Media Guide was designed by Phil Denne and written and edited by Phil Denne and Amber Tyson. Editorial assistance provided by Joe Greenwich, Jack Jumper, and John Saeger. Action photography by Greg Carroccio of Sideline Photos and still photography by Laird Bindrim. Printing by Smith-Edwards-Dunlap, Philadelphia, PA.

.Having posted double-digit win totals in consecutive seasons for the first time in a decade, the high-scoring Saint Joseph's University field hockey team has its sights set on an Atlantic 10 title and first-ever NCAA Tournament appearance in 2006.

All-America candidate senior **Nicole Antonini** headlines a list of 14 returning letterwinners, including seven starters, who give SJU a shot at its first title since 1995.

Among the nation's premier scorers, Antonini is equally adept at finding the back of the cage or setting up her teammates. The two-time All-Mid-Atlantic Region selection already ranks second in career points (96) at SJU and stands third all-time in assists (22) and goals (37). The three-time All-League choice could become just the third SJU player to capture All-America honors if she comes close to matching her prolific 2004 and 2005 seasons. She tied for the team lead with 13 goals and topped the squad with 30 points as a junior.

While Antonini accumulates much of the attention, she receives plenty of support from classmates **Lauren Luft** and **Maureen Casserly**.

Luft followed up a breakout sophomore season in 2004 with an even more productive campaign as a junior. Named to the All-Atlantic 10 Conference First Team for the second consecutive season, the feisty forward finished third on the team in scoring with nine goals, seven assists and 25 points. She was also tabbed to the All-Philadelphia Field Hockey squad and Atlantic 10 All-Championship team.

A whirl of constant activity in the center of the field, Casserly has been touted as the team's unsung hero because of her durability, versatility and unselfish play. A starter in every game of her Hawk career, she finished fourth on the team in scoring with three goals and five assists as a junior. Among the A-10's most dynamic stickhandlers, she will be challenged to increase her scoring total in her final collegiate season.

In addition to this trio, the Hawks have the luxury of bringing several veterans off the bench, including Juniors **Maryann Reis** and **Theresa Barbati** and sophomore **Marisa Pizzi**. Reis is a solid stickhandler, Barbati has good size and presents a big target on the front line and Pizzi possesses speed to burn on the wing.

While the Hawks high-scoring attack receives much of the recognition, the team's underrated defense features an experienced core that includes juniors **Rebecca Cunfer**, **Katie Young**, **Brianne Miller** and **Charlsie Agro**.

The 2004 Atlantic 10 Rookie of the Year, Cunfer was solid in the cage as a sophomore after turning in one of the best seasons in program history as a freshman, finishing second in the A-10 and 19th nationally with

Seniors Nicole Antonini and Lauren Luft (above) power the Hawks high-scoring attack. Junior Katie Young (below) could earn All-Conference honors in 2006.

a 1.41 goals against average. The Academic All-Atlantic 10 selection already ranks among SJU's career leaders in shutouts.

Often overlooked because of her quiet demeanor, Young should finally be recognized as one of the Atlantic 10's elite players in 2006. Tabbed as the Hawks' Most Valuable Player and named to the A-10 All-Championship team as a sophomore, she has superior stickhandling ability and is frequently called upon to lock down an opponent's top offensive threat. A standout on the defensive wing, SJU may bring her up into the midfield to take greater advantage of her all-around skills.

Miller stepped into the starting lineup as a sophomore and provided a reliable presence along the back line. Injuries have slowed the progress of Agro, who possesses the ability to become a key contributor on the backline, as well as a heavy hit that could be a weapon on corners.

Junior **Brooke Henry**, stands as the lone returning regular in the midfield. A sparkplug with her constant activity, she should assume the role of the team's link out of the back.

A talented collection of newcomers should vie for immediate playing time. Headlining the group will be redshirt freshman **Mary Beaman** and true freshmen **Anne Schreuders** and **Jenn Schultz**. An athletic back, Beaman captured SJU's most improved player award despite not appearing in a game in 2005. Schreuders, meanwhile, arrives on U.S. soil after competing at the top club levels in the Netherlands. Schultz tallied 25 goals and 21 assists while guiding William Allen High School to the Pennsylvania state finals.

After posting double-figure win totals in consecutive seasons, expectations for the Saint Joseph's field hockey team are high. With Antonini headlining a high-powered attack and an underrated defense, a run at an A-10 title and NCAA Tournament berth are legitimate goals for the Hawks in 2006.

HEAD COACH

Michelle Finegan
Head Coach
Delaware '84 - 10th Season

Since returning in 2003 for her second stint as the head coach of the Saint Joseph's University field hockey team, things could not have gone much better for Michelle Finegan. The winningest coach in SJU history, she has taken the Crimson and Gray to three-straight A-10 Tournament appearances, guided SJU to back-to-back 10-win seasons, captured Atlantic 10 Coach of the Year honors (2003) for the second time in her career and recorded her 100th victory as a head coach (vs. La Salle, October 19, 2003).

She returned to Hawk Hill after spending seven seasons as the head coach at Lehigh University. Finegan previously guided the SJU program for six years (1990-95), earning conference and regional Coach of the Year honors, while leading the Hawks to both the Atlantic 10 regular season and tournament titles, as well as three A-10 postseason appearances. Her 10-year tenure as head coach and 81 victories rank as the most in school history.

One of the most respected names in the game, Finegan built the SJU program into one of the Mid-Atlantic's best during her first stint as head coach. After spending her first three years retooling the team, the Hawks went 37-22-2 over her final three seasons. She capped her run at St. Joe's in 1995 by leading the Hawks to the Atlantic 10 Conference regular season and tournament titles, a school record 16 victories and a #17 national ranking in the final poll. She was honored as both the Mid-Atlantic Region and A-10 Coach of the Year that season. The Hawks qualified for the A-10 postseason tournament in three of her final four seasons.

An excellent player at both the collegiate and national levels, Finegan was a standout defensive player at the University of Delaware (1978-81), helping the Blue Hens place third in the nation as a junior. She was a member of the United States National team from 1981-86 and was an alternate on the 1984 U.S. Olympic team that won the bronze medal in Los Angeles. She came out of retirement as a player in 1993 to start for the U.S. National Team that placed fifth at the Intercontinental Cup, which qualified the U.S. for the 1994 World Cup.

Actively involved with the United States Field Hockey Association for more than two decades, Finegan has played a role in developing players throughout the nation since the inception of the USFHA Futures Program and also served as head coach of the Pennsylvania Pride in the USFHA Summer League.

A 1984 graduate of the University of Delaware, Finegan earned her bachelor's degree in mechanical engineering. She resides in Buckingham, Pa. with her husband John and five children.

Finegan, who went 53-59-7 in her first tenure at SJU, is now 81-88-7 in nine years on Hawk Hill. She has a career record of 122-169-7 in 16 seasons as a Division I head coach.

ASSISTANT COACHES

Jackie Aronchick
Assistant Coach
Saint Joseph's '06 - First Year

New to the Hawks' Coaching staff this year is Jackie Aronchick. A 2006 SJU graduate, Aronchick helped with the team last spring acting as the Strength and Conditioning Coach.

In 2003, Aronchick returned to her high school to act as Assistant Varsity Field Hockey Coach at The Episcopal Academy.

While at SJU, the voacl leader was the recipient of the team's Defensive Player of the Year Award, as well as the Vasquez Award.

Ali Collins
Assistant Coach
Cornell '04 - Second Year

Returning to the Saint Joseph's staff in 2006 as an assistant coach is Ali Collins.

A 2004 graduate of Cornell, the defensive standout was voted the team's Most Improved Player as a junior.

A native of Medford, NJ, she played both field hockey and softball at Shawnee High School. The 24-year-old is currently pursuing her Master's Degree in Secondary Education at SJU.

Recently married this summer, Collins resides in Philadelphia with her husband Jeff.

FINNESEY FIELD

Laid out in a natural bowl in the center of Saint Joseph's campus, Finnesey Field has been the home of Hawk field hockey since its inception in 1975.

Originally constructed for football and opened in 1929 with plans for an eventual 70,000-seat stadium, the field has undergone numerous changes over the years.

In 1960, both the original grandstand and hillside seating were eliminated for the construction of Villiger (now Post) Hall/Bluett Theater. That construction necessitated raising the field's level some five feet above its earlier location. In 1990 the facility's usage was greatly expanded with the installation of artificial turf. That expansion continued in 1994 when lights were added. During the summer of 2001, the field received a facelift when new turf was installed. Bleachers were built into the hill closest to Barbelin Hall during the summer of 2003.

In addition to the field hockey, Finnesey Field is currently the home of SJU track and field, men's and women's soccer and both men's and women's lacrosse. Previously, it played host to the football, baseball and softball teams.

SJU's men's soccer team has compiled a record of 154-145-30 on the field since 1958. The team played its first Finnesey Field game on October 24, 1958, defeating Rutgers-South Jersey, 6-0.

In the first-ever night time event on the field, the Hawks topped Lehigh, 3-0, on October 19, 1994.

Legend has it that a 1777 Revolutionary War skirmish took place on the site. Several war-era relics, in fact, were discovered during landscaping work in 1939.

DIRECTIONS TO FINNESEY FIELD

From the North: NJ Turnpike to Exit 6 (PA Turnpike connector). Follow PA Turnpike to exit 20 (Rt. 476). Follow 476 South to Rt. 76 East, toward Philadelphia. Follow Rt. 76 East to exit 339 (Rt. 1 South, City Avenue). Make left on 54th Street and then right into parking lot. Field is straight ahead.

From the East: From the Ben Franklin Bridge (via Rt. 676) or the Walt Whitman Bridge: Follow Rt. 76 West to exit 339 (Rt. 1 South, City Avenue). Make left on 54th Street and then right into parking lot. Field is straight ahead.

From the South: Rte. 95 North to 476 North. Follow 476 North to exit 5 (Rt. 1). Follow Rt. 1 North to SJU, approximately 10 miles. Make right on 54th Street and right into parking lot. Field is straight ahead.

From the West: PA Turnpike to Exit 326 (Valley Forge). Follow Rt. 76 East, toward Philadelphia, to Exit 339 (Rt. 1 South, City Avenue). Make right on 54th Street and right into parking lot. Field is straight ahead.

From the Airport: I-95 North to Rt. 76 West. Follow Rt. 76 West to exit 339 (Rt. 1 South, City Avenue). Make right on 54th Street and right into parking lot. Field is straight ahead.

THE HAWK

The Saint Joseph's Hawk mascot has been flapping its wings for half a century, celebrating its golden anniversary in 2005-06.

One of the most famous mascots in college sports, the Hawk is best known for staying in constant motion by flapping its wings throughout every basketball game and representing the Saint Joseph's motto, "The Hawk Will Never Die".

Saint Joseph's athletic teams have been recognized with the nickname "Hawks" since 1929. At that time, the school's yearbook editor initiated a contest among the student body for a symbol. More than 100 submissions were narrowed, with "Hawks" winning out over "Grenadiers" by a slim margin. The name was appropriate because it typified "the fighting spirit of our crimson and gray athletes and it is suggestive of the aerial attack which has made our football team famous." Football, ironically, was discontinued at SJU following the 1939 season.

The Hawk mascot has garnered numerous accolades in its 50-year history. It has been selected as the nation's top mascot by *The Sporting News*, *Sports Illustrated*, *Sports Illustrated for Kids*, *Street & Smith's Basketball Yearbook* and *ESPN College Basketball* magazine.

2005 YEAR IN REVIEW

Fueled by a high-scoring attack led by All-Mid-Atlantic Region selections Nicole Antonini and Katelyn O'Brien, the Saint Joseph's field hockey team continued to assert itself on the national scene in 2005. Notching double-digit victories in consecutive seasons for the first time in a decade, the Hawks reached the Atlantic 10 tournament for the fifth straight season and knocked off a nationally-ranked opponent for the first time since 1998.

Just the third pair of Hawks teammates to net double figures in goals in the same season, Antonini (13 goals, 4 assists, 30 points) and O'Brien (13 goals, 3 assists, 29 points) formed a formidable one-two punch that proved difficult to contain. Each player received First Team All-Atlantic 10 and All-Philadelphia honors for their play in addition to garnering All-Region accolades. O'Brien, who capped her career by being selected to play in the National Field Hockey Coaches Association North/South Senior All-Star Game, received First Team All-Region honors, while Antonini captured Second Team recognition for the second consecutive season, the first Hawks to receive such honors since 1995. Both players also positioned themselves among SJU's career leaders in both goals scored and points.

While the tandem of Antonini and O'Brien received the bulk of the postseason honors, juniors Lauren Luft and Maureen Casserly and senior Hilary Moody proved also capable of providing punch.

A feisty winger, Luft continued to put up impressive numbers, often working in perfect tandem with Antonini. The All-Atlantic 10 and All-Philadelphia choice finished third on the team in both goals (9) and points (25), while topping the team in assists (7).

Moody, a stalwart on the Hawks' backline, anchored the team defensively, ranking seventh nationally in defensive saves. The Honorable Mention All-Atlantic 10 pick was also a weapon in corner situations finishing with nine points. Casserly added three goals and five assists for 11 points.

Joining Moody to form the foundation of an underrated defensive line were sophomores Rebecca Cunfer and Katie Young. The reigning A-10 Rookie of the Year, Cunfer started every game in the cage for the Hawks. A student of the game, she received both Academic All-Conference and All-Area recognition.

Chosen as SJU's Most Valuable Player, Young ranks as one of the A-10's top defenders. Often overlooked because of her quiet demeanor, she possesses superior stick skills and is typically called upon to lock down an opponent's top offensive threat.

The remainder of the regular lineup featured versatile two-way midfielders seniors Jackie Aronchick and Shelley Meier, along with sophomores Brooke Henry and Brienne Miller. Several others provided valuable depth including senior Emily Mannion, junior Charlise Agro, sophomores Theresa Barbati and Karen Wiley and freshman Marisa Pizzi.

With double figure win totals in back-to-back seasons, head coach Michelle Finegan has quickly returned Saint Joseph's to national prominence. Possessing a veteran nucleus, the high scoring Hawks were difficult to out gun in 2005, netting the fifth highest scoring total in program history and reaching the Atlantic 10 Championship for the seventh time in eight years.

Philadelphia Flyers Head Coach Ken Hitchcock spoke to the Hawks during the 2005 season.

BARBADOS TRIP

March 2006

The Saint Joseph's field hockey team embarked on an eight-day tour of Barbados during the spring. It was the first foreign

tour in program history and the team was able to take on four club teams, posting results of 5-0, 4-0, 6-4 and 2-0. The Hawks' impressive results made them the first intercollegiate team to complete a Barbados Tour undefeated.

Katelyn O'Brien and her family in Louisville, KY for the NFHCA North/South Senior All-Star game November, 2005.

ATLANTIC 10 CONFERENCE

On March 2, 1975, the idea of what is now the Atlantic 10 Conference was conceived. What started as an eight-school, men's basketball-only affiliation has grown into a 14-university, 21-sport league that is universally hailed as one of the best conferences in the country.

That growth and prominence is a direct result of the ideals and commitments of the member institutions of the Atlantic 10 - the University of Dayton, Duquesne University, Fordham University, The George Washington University, La Salle University, University of Massachusetts, University of North Carolina at Charlotte, University of Rhode Island, University of Richmond, St. Bonaventure University, Saint Joseph's University, Saint Louis University, Temple University, and Xavier University.

The Atlantic 10 Conference, with a total population of nearly 73 million people within its geographic footprint of eight states and the District of Columbia, will crown champions in 21 sports this season: baseball, men's and women's basketball, men's and women's cross country, field hockey, men's golf, women's lacrosse, men's and women's indoor and outdoor track & field, women's rowing, men's and women's soccer, softball, men's and women's swimming & diving, men's and women's tennis, and women's volleyball.

Xavier became the first team in NCAA history to win four games in four days at its league's men's basketball tournament twice when it won the 2006 A-10 title (previously done in 2004). The Musketeers earned the Atlantic 10's automatic bid to the NCAA Tournament and were joined by George Washington, which became just the fourth team in league history to go unbeaten in Conference play. The Colonials, who at one time had the nation's longest winning streak (18 games), were ranked as high as sixth in the national polls. In addition, Charlotte, Saint Joseph's, and Temple earned NIT bids. In women's basketball, Temple won its third-straight A-10 title and was joined by George Washington in the NCAA Tournament. Charlotte, Saint Joseph's, and Xavier garnered WNIT bids.

Saint Louis won the A-10 baseball championship and earned its first NCAA berth since 1966. In cross country,

Duquesne won its first-ever men's title and La Salle won its fourth women's crown in the last five years. In field hockey, Richmond ended the season ranked 19th nationally after going unbeaten in Conference play for the third straight year in advancing to the NAACAs.

The men's golf season was the most successful in Atlantic 10 history as league champion Charlotte was joined by George Washington, Rhode Island, Richmond, and Xavier in the NCAA Tournament, marking the first time ever that five A-10 schools earned postseason bids. Charlotte, which won the title in its first season as a member of the A-10, reached the national finals for the first time in school history.

Richmond won its first-ever women's lacrosse regular season title and its second tournament title in advancing to the NCAA Tournament. In addition to Richmond, St. Bonaventure earned a national ranking in 2006, the first-ever in school history. The Massachusetts women's rowing team won its 11th straight A-10 title, building upon its league record for the most consecutive tournament championships won by any team in any sport. Rhode Island won the A-10 Men's Soccer Championship, while Saint Louis won the women's regular season and tournament titles and advanced to the second round of the NCAA Tournament.

In softball, UMass won its 18th league championship and an automatic bid to the NCAA Tournament, advancing to the Super Regional round. St. Bonaventure won its first A-10 men's swimming & diving crown since 1999 and the Richmond women claimed their fifth straight title. Richmond captured its third straight men's and women's tennis championships and the accompanying NCAA automatic berths. Charlotte took the men's and women's indoor and outdoor track & field titles. In volleyball, Dayton won its third straight Conference crown to earn the league's automatic NCAA bid.

In all, 392 teams have represented the Atlantic 10 Conference in postseason play since the 1976-77 season.

Conference Affiliations: 1988-Present: Atlantic 10 Conference (1988 Western Division)

Michelle Finegan (top right) helped the 1995 Hawks capture both the Atlantic 10 regular and postseason crowns, the only team in school history to do so. That team set a school record for wins (16) and finished the season ranked #17 in the nation.

ADMINISTRATION

Timothy R. Lannon, SJ
University President

Timothy R. Lannon, S.J., is beginning his fourth year as president of Saint Joseph's University.

Fr. Lannon began his term as Saint Joseph's 26th president in July 2003. Since then he has led many significant University initiatives, most notably the agreement to purchase the 38-acre campus of the neighboring Episcopal Academy. Saint Joseph's anticipates taking possession of the property in 2008; the acquisition -- to be known as the Maguire Campus -- will provide unparalleled flexibility to enhance academic programs and facilities.

Under Fr. Lannon's stewardship, the University vastly upgraded student housing and parking options with the opening of the City Avenue Residence Halls in August 2004. Phase II of that initiative is currently underway and will result in additional parking and retail development along 54th Street.

Fr. Lannon has also played a major role in boosting Saint Joseph's academic profile, an effort which includes recently endowed faculty chairs and student scholarships as well as the opening of the Pedro Arrupe Center for Business Ethics. A major curricular-review initiative and the hiring of more than 50 new full-time faculty over a five-year period will serve to further strengthen the University's academic position. SJU has already equaled its best-ever U.S. News ranking (t-9th, Northeast) in the 2007 "America's Best Colleges" edition.

Fr. Lannon has worked tirelessly to re-engage the University in its mission and to foster expanded outreach efforts to alumni, governmental leaders, and other external constituencies. In the latter role, he serves as chair of the City Avenue Special Services District (CASSD). As a central tenet of his leadership, Fr. Lannon's has articulated a vision for Saint Joseph's to be recognized as the preeminent Catholic comprehensive university in the Northeast.

He previously was vice president for university advancement and associate executive vice president at Marquette University, and served presidential internships at the College of the Holy Cross and Boston College while completing a doctorate and teaching fellowship in the Graduate School of Education at Harvard University. Fr. Lannon serves on the boards of Marquette University, St. Joseph's Preparatory School in Philadelphia, the Greater Philadelphia Chamber of Commerce, and the Association of Independent Colleges and Universities of Pennsylvania.

Fr. Lannon has studied and written on Catholic identity at Jesuit universities. A native of Mason City, Iowa, he attended Creighton University as an undergraduate and was later president of Creighton Preparatory School. He entered the Society of Jesus in 1977 and was ordained in 1986.

Linda Lelii
Vice President/Student Life & Academic Development

Great strides have been made over the past decade to enhance the overall aspect of student life at Saint Joseph's University and at the heart of this growth and development is Vice President for Student Life and Academic Development Dr. Linda Lelii.

In her 13th year in this capacity, Dr. Lelii is responsible for Residence Life, Career Services, Counseling and Personal Development, Student Activities, Student Health, Academic Development, Advising to Students with Disabilities, Multicultural Life, Freshmen Orientation, and Athletics and Recreation.

Dr. Lelii came to Hawk Hill in 1987, when she accepted the position as Assistant Vice President for Academic Affairs. In 1991, she was promoted to Associate Vice President for Academic Affairs.

Dr. Lelii received her Ph.D. from the University of Pennsylvania in 1977 and her master's degree in psychology at Southern Methodist University in 1971.

Don DiJulia
Associate Vice President Athletic Director

One of the most active and involved leaders in collegiate athletics, Don DiJulia is in his fifth decade of affiliation with Saint Joseph's University. The 61-year old DiJulia is in his second stint as the University's top athletic administrator after returning to Hawk Hill as an Assistant Vice President/Athletic Director on June 8, 1988.

Over the past 17 years, DiJulia has overseen tremendous growth in the University's athletics programs. During his tenure, five varsity programs have been added, a new weight training facility built, athletic facilities upgraded and athletic fund drives initiated. In addition, the importance of the student-athlete has been recognized with the institution of the Athletic Director's Honor Roll as well as the senior scholar-athlete awards. DiJulia also spearheaded SJU's hosting of various conference and national tournaments, including the 2000 NCAA Women's Basketball Final Four.

A 1968 graduate, DiJulia has worn many hats in college athletics during his more than 30 years of professional experience. His career first started in coaching, where he served as an assistant basketball coach at Fairfield, George Washington and American.

During his first stint as Director of Athletics at SJU from 1976-1981, DiJulia was instrumental in the planning and construction of the \$5 million athletic and recreation complex. He also oversaw the growth of women's athletics as softball and cross country were added as varsity sports. DiJulia left SJU in 1981 to become Commissioner of the East Coast Conference, a position he held for two years until leaving to become the Commissioner of the Metro Atlantic Athletic Conference (1984 through 1988).

A two-sport athlete as an undergraduate at SJU, DiJulia was a member of the 1964-65 Hawk basketball team which compiled a 26-1 regular season record and a top 10 national ranking under head coach Dr. Jack Ramsay. He and his wife, Pat, are the parents of seven children and reside in Havertown, PA.

SAINT JOSEPH'S UNIVERSITY

Founded in 1851, Saint Joseph's is an independent, Catholic, Jesuit university teaching disciplined reasoning, effective communication and a love of learning. From Willings Alley in Old City Philadelphia to Stiles Street in North Philadelphia to its current location on City Avenue, Saint Joseph's has continued to grow and change with the times. The University combines the Jesuit tradition of academic excellence, a history of service and an ideal campus location to produce successful students who seek to make a good world even better.

Full-time, undergraduate day enrollment is approximately 4,250. Graduate, evening and executive programs push total enrollment to more than 7,400.

THE JESUIT TRADITION OF ACADEMIC EXCELLENCE

Saint Joseph's nationally recognized academic reputation is confirmed by ongoing acknowledgment in Barron's, U.S. News & World Report and Peterson's. The Jesuit tradition of intellectual inquiry and personal concern manifests itself in small, challenging classes taught by a caring faculty. Graduate assistants do not teach, so undergraduates can be sure they are receiving the very best educational experience. One-on-one interaction between students and faculty is a reality at Saint Joseph's.

A solid liberal arts curriculum provides across-the-board learning for every student. Supporting that curriculum are comprehensive academic majors and learning facilities. The result is a broad education which prepares students not only for employment and graduate school, but for life itself.

In the fall of 1998, SJU opened the \$25 million Owen A. Mandeville Hall, which houses the Erivan K. Haub School of Business, the Center for Food Marketing and the region's first "Teletorium" and "Moot Boardrooms." An 87,000-square-foot international academic center featuring state-of-the-art distance learning technology, it is located near the corner of 54th Street and City Avenue.

A HISTORY OF SERVICE

The students of Saint Joseph's University are dedicated to making today's world even better. A natural spirit of volunteerism has enabled the University's community service programs to become the most popular extracurricular activities on campus. In addition, a Service Learning program allows students to receive academic credit for their work outside the classroom.

SJU offers local, national and international opportunities for student service. From North

Philadelphia to Camden, N.J.; from Tijuana, Mexico, to the Appalachian Mountains, Saint Joseph's students embrace the Jesuit mission of serving those in need. The Thanksgiving Dinner Dance for area senior citizens and the Hand-in-Hand Festival for the handicapped are two annual student-run events which draw thousands of special visitors to campus for fun and friendship.

IDEAL CAMPUS LOCATION

SJU's City Avenue location combines the best of dynamic Philadelphia with the suburban, residential setting of the elegant Main Line. Saint Joseph's 65 acres span two counties, allowing students literally to enjoy the best of both worlds. The city of Philadelphia, with its tremendous wealth of historical, cultural, social and athletic attractions, is easily accessible, while the safety, serenity and greenery of a suburban campus are right at hand.

The friendly atmosphere and close-knit campus ensure that students don't get lost in either the literal or the figurative sense at Saint Joseph's. Expanded library, computer and athletic facilities add a big-time "feel" to this growing university.

SUCCESSFUL STUDENTS

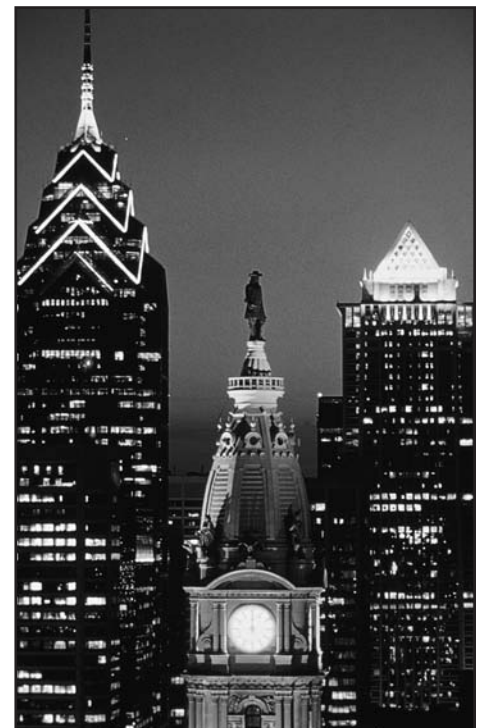

Men and women leave Saint Joseph's prepared. The University boasts an excellent record of placing its graduates in first-time jobs, professional schools and other advanced degree programs. Part-time work and internships provide real-world experiences, the kind which delight future employers. And with its many diverse student organizations, SJU offers ample opportunities to assume leadership positions.

An extensive on-campus recruitment program provides graduates with a head start in their employment search. Regular meetings with faculty advisors, along with advisory programs in the health professions and in pre-law, assist students who wish to further their schooling.

PHILADELPHIA

SJU's Philadelphia location gives students access to two worlds. The campus resembles a park, surrounded by the stately homes of Philadelphia's historic Main Line suburbs. Yet students have access to the cultural, commercial and recreational activities of downtown Philadelphia - only a short ride away.

SJU students take frequent advantage of the artistic and cultural resources Philadelphia offers, as well. They visit the Philadelphia Museum of Art; the Pennsylvania Academy of the Fine Arts; the Franklin Institute Science Museum; the Academy of Music, which houses ballet and opera; and the new Kimmel Center, home to the Philadelphia Orchestra. In addition, SJU students know they always have a good time rooting for Philadelphia or other hometown teams in the four major professional sports.
